

BOROUGH OF CHRISTIANA
LANCASTER COUNTY, PENNSYLVANIA
RESOLUTION 2021-8

A RESOLUTION ESTABLISHING FEES FOR BUILDING AND ZONING PERMITS

WHEREAS, various Ordinances and Resolutions call for the establishment of fees for permits, services, review and/or inspections; and

WHEREAS, the local legislation allows for the fees to be changed from time to time by Resolution;

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Borough Council of the Borough of Christiana that the following shall be the Fee Schedule for Building and Zoning Permits:

SECTION 1. Definitions.

The following definitions shall apply in interpretation and application of this Resolution.

Residential – single unit dwelling (including garages).

Code/Zoning and/or Engineering Information/Opinion Request – may provide information regarding zoning and land use of a property, allowed uses, development standards, regulations applicable to a specific parcel, International Building Code or questions regarding a possible purchase of property; may provide water and sewer specifications regarding a parcel/property.

Commercial – Multi-unit dwelling (including attached garages); or a building for commercial, light industrial, industrial or professional uses (excluding professional offices which are part of the practitioner’s own residence)

Accessory Structure – A detached building accessory to the main dwelling for non-residential uses; or, a building for agricultural purposes.

SECTION 2. For all New Construction, the following fees shall apply:

- A. New Residential Construction (includes Plumbing, Energy and Mechanical) - \$1,000.00
- B. New Residential Electrical - \$200.00
- C. New Commercial Construction - \$1,000.00 plus \$10.00 per \$1,000.00 of estimated cost of construction and Electrical, Mechanical and Plumbing permits and fees required
 - 1. New Commercial Plumbing Permits - \$400.00
 - 2. New Commercial Mechanical Permits - \$400.00
 - 3. New Commercial Electrical Permits - \$200.00

(*Commercial Electrical inspections are NOT performed by the Borough. The applicant must contract with a licensed independent inspector and present documentation from licensed inspector to the Borough.)

- D. All fees noted above include all required inspections except for * comment 2.C.3.
- E. Re-inspection due to the failure of a required inspection - \$50.00

SECTION 3. For all Residential renovations, alterations and modifications to existing buildings which do not increase the building footprint, the following fees shall apply:

- A. Base Rate - \$50.00 plus \$10.00 for the first \$1,000.00 of cost and \$5.00 for every \$1,000.00 or fraction thereafter.
- B. All fees noted above include all required inspections.
- C. Re-inspection due to the failure of a required inspection - \$50.00

SECTION 4. For all Commercial renovations, alteration and modifications to existing buildings, which do not increase the building footprint, the following fees shall apply:

- A. Base Rate - \$100.00 plus 1.5 % of total construction cost.
- B. All fees noted above include all required inspection except for *comment in 2.C.3.
- C. Re-inspection due to the failure of a required inspection - \$50.00.
